

## Did you miss this European Commission document?!

In late March 2018, we read an official EU document: *Notice to stakeholders: withdrawal of the United Kingdom and EU rules on .eu domain names* which states: "As of the withdrawal date, undertakings and organisations that are established in the United Kingdom but not in the EU, and natural persons who reside in the United Kingdom will no longer be eligible to register .eu domain names or, if they are .eu registrants, to renew .eu domain names registered before the withdrawal date."

[\[See EU official Source\]](#)

**More:** (...) "The European Commission announced it will cancel all 300,000 domains under the .eu top-level domain that have a UK registrant, following Britain's eventual departure from the European Union. [\[See theregister.co.uk\]](#)
